Looking for Virtual Office.

Virtual offices are ideal if you are a startup business, freelancing or intend to enter a new market and do not feel ready to invest in an office space but require that professional edge to bowl your competitors over. At a fraction of a cost you get to do this without having to worry about rent, security deposit and the insurance that you would need. You also realize how easy it is to set up your own virtual office without breaking a sweat. In the real world, it would take you weeks on end to set up an office but with Linuxx virtual office it is instant. You get the daily in and outs of an office handled by us and without any stress on your part as well as a prestigious business address in the downtown area of Bangkok.

Looking for Meeting room.

Linuxx meeting venues are the best way to get together in the city centre. Due to our prime location, businesses can impress its clients with our stylish and comfortable meeting room making it possible to present your company in a professional manner . Our meeting venues are available by the hour, half day or full day basis and can accommodate 6 to 10 peoples. Our staff will ensure that everything is in place and they will be more than happy to fulfill your requests. Light refreshments can also be easily arranged. We want to save you the stress of the mundane tasks so that you can focus on the bigger picture and get the most out of your meeting.
